

Jake Callaghan

A hardworking and adaptable worker with a diverse range of experience, including leadership, project management, and customer support. In previous work I have demonstrated the ability to learn new skills quickly and work effectively in team environments. With a self-taught web development background and involvement in ICT projects as well as web development projects, I am seeking my first Junior Web Developer role to start a new career.

Web Skills

HTML, CSS, JavaScript, Bootstrap, Tailwind.

Projects

In my spare time I have been working through The Odin Project curriculum to broaden my understanding of HTML, CSS and JavaScript.

Portfolio Website: Developed a responsive website using Bootstrap to showcase what I have been learning as well as published work –

Work History

Langdon College

Jul 2024 – Dec 2024

Wordpress Developer

While the college goes through changes of management and structure, I have been tasked with updating the colleges website so that it falls more in line with the wider organisation's websites. This involves content, theme and plugin changes. I am currently liaising with the initial web dev company to help facilitate updates and I am also involved in communication with the college's Director of Education to ensure the content is correct.

**Langdon College
Centre Manager**

Feb 2024 - Jul 2024

Because of my diverse range of experience, demonstrated leadership and problem-solving qualities, my role shifted to Centre Manager. Alongside managing campus operations and supporting staff with learners, I facilitate timetabling, oversee ICT troubleshooting and the college's website / marketing development.

**Langdon College
Teaching Assistant**

May 2023 - Feb 2024

As a TA I worked with students with diverse needs, demonstrating my flexible working and ability to tailor my teaching approach. My work with both small groups and individuals showcases my ability to meet students' unique needs. Additionally, my experience with academic subjects and practical activities highlights my versatility and ability to engage students in various learning experiences.

**Otium Services
Cleaner - David Lloyd Speke**

Jun 2022 - Dec 2023

Starting June 2022, I worked as a weekend cleaner at David Lloyd Speke. In this role I cleaned various areas of the club. The job was physically demanding, but I enjoyed the hard work and satisfaction of seeing the results.

**Citizens Advice Halton
Employability Project Keyworker**

Apr 2020 - Apr 2021

As a Project Keyworker at Citizens Advice, I supported residents with job search and career development. I helped with CVs, interviews, and created online resources including Moodle classes and PDF how to's. I also managed administrative tasks to ensure compliance with ESF funding standards.

Royal Mencap Society
North West Employment Coordinator

Mar 2019 - Apr 2020

As an Employment Coordinator, I worked with individuals with learning disabilities, providing employability support, sourcing placements, and modelling best practices in various work environments. I enjoyed working with a diverse range of people and understanding the needs of employers.

Riverside College
Supported Internship Job Coach

Jul 2017 - Jun 2018

As the coordinator of a new Supported Internship Programme, I developed tracking documents, met with employers, and supported learners in their placements. I prided myself on my organization and ability to build positive relationships with stakeholders such as the local council. I also modelled best practices in various work environments for the learners.

Riverside College
Additional Learning Support Worker

Sep 2014 - Jul 2017

In my first role at Riverside College, I worked with young adults with intellectual disabilities or challenging behaviours. I supported academic subjects, facilitated interactive sessions, and became involved in the Duke of Edinburgh Award programme where I worked as a Bronze and Silver Assessor.

Education

Bangor University
